Getting Started...

- **Registration:** A registration fee of \$15.00 is due prior to the first lesson to facilitate scheduling the lesson time and setting up the account.
- **Tuition:** The monthly tuition for the School of Music is \$68.00 per month for weekly half hour lessons (\$136.00 per month for weekly hour lessons). This covers months that you will receive five lessons as well as months that you will receive the normal four lessons.
- **Future Tuition Payments:** All Tuition Payments are due monthly and will be automatically billed to your debit or credit card on file on the 25th day of the month preceding the month of lessons.
- **Absence Policy:** Tuition is paid to reserve a guaranteed space and teacher for a specific time each week. For this reason, each month's tuition must be paid regardless of the attendance of the student.
- **Teacher Absence:** If your teacher is unable to teach a lesson, a qualified substitute will be provided. In the event that a substitute cannot be provided, a lesson credit will be given.

- **Closure:** The Bandland School of Music is closed only on major holidays and occasional days of inclement weather. Studio holidays are posted in waiting room. Closures for inclement weather will be determined by noon on the day of your lesson. Credits are given for studio holidays and unexpected closures. We are open for business otherwise and do not follow the schedules or closings of the local school systems.
- **Showcases:** Showcases are optional for students, but are encouraged by the staff. Bandland will provide a facility, and our Studio Director or your teacher will update you on showcase dates and details.
- **Summer & Vacations:** Lessons continue as normal throughout the summer months. We will offer up to two makeup lessons for family vacations during the months of June, July & August only. A three week advance notice of your vacation is necessary so that we may coordinate the makeup with your teacher. Any makeup will be at the convenience of the teacher's schedule. We want to offer this so our students will continue during the summer and not lose their regularly scheduled day and time.
