I understand that my child's instrument needs repaired or checked at Bandland's repair facility, and that Bandland will return the instrument on the next possible scheduled school visit based on the following:

Approval of Repair: (choose one)

- I approve repair up to \$50 without a call from Bandland. This method will expedite the repair process. I understand that it is possible repair may exceed this amount, due to sales tax. Bandland will call when repair is complete to arrange payment method.
- I prefer a call from Bandland's repair technician to discuss the repair and for an estimate prior to repair being performed. I will discuss the repair with Bandland at that time. I realize this could delay the delivery as well as completion date of the repair.
-

Delivery/Payment Details: We will call at completion of repair to get a debit/credit card payment. If credit card is not available, we will discuss returning instrument to school and picking up payment in the form of cash or check (made payable to BANDLAND).

- Repair must be paid before instrument can be delivered to the school.
